

Ms. Laura Cruickshank, FAIA
Associate Vice President
Master Planner and Chief Architect
University of Connecticut
Planning, Design and Construction Services

University Project Name: _____

University Project Number: _____

BACKGROUND SCREENING VERIFICATION CERTIFICATION:

I, the undersigned, am the official authorized agent to execute contracts on behalf of the following company:

Our Company has a contract directly with the University of Connecticut for the above referenced contract. Pursuant to and in accordance with the Contractor Background Screening Policy and associated contract requirements, I hereby certify:

There were no new construction workers and construction administrators or professional consultant staff who worked on-site during the month of _____ which required a project specific background screening in accordance with University Policy and the contract requirements.

The attached report are the list of trade workers and administrator or professional consultant staff names that were qualified for the month of _____ in accordance with University Policy and the contract requirements.

We remain compliant under the referenced project, that all on-site workers or staff under the responsibility directly or indirectly with our named company above have been deemed Qualified as defined within the policy under this project.
